

1) Paper presented in 'RTC Institute of Technology', Ranchi, during the National conference on Mathematical & Statistical Modeling in innovative areas held on 03-04 February 2023.

Topic of the paper presented :

"Mathematical Aspects of Electroinitiated Cathodic Polymerization of Acrylamide"

2) Paper published in the journal 'Resonance'-Vol 11.1, January 2023

ISSN : 2320-7116, Indexing & impact factor 3.9

Topic of the paper published :

"Kinetics of Electroinitiated graft copolymerization of Acrylamide onto the cotton using Sacrificial dissolution of Cu Electrode"

3) Paper published in the journal 'Resonance'-Vol 10.2A, July 2022

ISSN : 2320-7116, Indexing & impact factor 3.9

Topic of the paper published :

"Mathematical Aspect for Electroinitiated Cationic Polymerization of Acrylamide"
