Complete syllabus and give some internship and jobs .

THERE IS HUGE RUSH IN COUNTER SO YOU SHOULD PROVIDE ALL TYPES OF PAYMENT IN ONLINE TO SAVE THE TIME OF STUDENT AS WELL AS STAFF. Thank-you.

It's good with nicely teaching strategy. No worry for improvement:)

Almost 3 classes a day.

Everything is just awesome

According to me the teaching faculty provided by our college is well than other's.

More period should take

Add more facilities

Learning can more easy and effective if smart classes will be installed. It would be very helpful to understand throughout the lecture and concepts will be more clear to us.

Should talk to students often about their goals n plans in life nd suggest them with best option and promote placements

Encouraging al type of students and some times teaches in projectors

This is my 2nd semester in Gossner College and the experience is very good as I enjoyed teachings and the interactive classes in my college. I wish that I could get a better internship opportunity from this college and secure my future.

All is good

Our accounts teacher is very good.

Our business law teacher and company law teacher is good.

But there is a teacher MD Rehan and a teacher who teaches us EVS, they doesn't teach as good as other teachers do.

MD Rehan always promotes his YouTube channel in class like we should subscribe to his channel so that we can get contents. He explains good but not very deep and is always unable to complete the course.

In semester 1 most teachers except financial accounts and business law didn't completed the course...

Good teachers
