## About IQAC

The Internal Quality Assurance Cell (IQAC) at Gossner College, Ranchi plays a vital role in sustaining and enhancing the quality of education and institutional processes. Aligned with the college's objective, "*Arise and Uplift*," the IQAC focuses on enhancing academic excellence, promoting innovative teaching-learning practices, and ensuring holistic development of students. It works systematically to monitor and evaluate performance, implement quality benchmarks, and organize workshops and training programs to empower both faculty and students. By encouraging a culture of continuous improvement and accountability, the IQAC at Gossner College, Ranchi strives to uplift the institution's standards, ensuring it remains a beacon of quality education and social transformation.

## Objectives and Functions of IQAC

- The IQAC keeps up with the latest advancements in the higher education sector, particularly focusing on the evolving guidelines of the UGC and NAAC, and ensures their effective dissemination.
- The primary objective of the IQAC at Gossner College is to ensure and enhance the quality of academic and administrative processes, aligning with the institution's motto, "*Arise and Uplift*."
- It aims to promote a culture of continuous improvement by systematically monitoring and evaluating teaching, learning, and evaluation methods. The IQAC also seeks to engage stakeholders, including students, faculty, alumni, and the community, in quality enhancement initiatives.
- The IQAC focuses on holistic development by integrating academic excellence with co-curricular and extracurricular activities. It strives to prepare the institution for national and international accreditation by adhering to quality benchmarks and standards.
- The IQAC organizes workshops and seminars on quality-related themes, promotes quality circles, and documents various initiatives for continuous improvement. It also prepares and submits the **Annual Quality Assurance Report (AQAR)** to NAAC, ensuring compliance with quality standards.

- IQAC promote a learner-centric environment through innovative and participatory teaching methods while enhancing ICT and IT facilities to strengthen academic and administrative functions.
- IQAC supports departments and extension clubs in organizing academic and extracurricular seminars, workshops, and lectures. IQAC also benchmarks institutional performance against national and international standards to identify gaps and implement improvements.

## Programmes conducted by IQAC

### MEGA JOB FAIR 2023

On 26th August 2023, Gossner College, Ranchi, successfully hosted a Mega Job Fair, organized by the IQAC in collaboration with ICA Edu Skills. The event aimed to bridge the gap between students and potential employers, providing a platform for students to explore career opportunities and for recruiters to identify talented candidates.

The event brought together several reputed companies from diverse sectors, including IT, banking, retail, and healthcare, offering a wide range of job opportunities to students. Any students from Gossner College and neighbouring institutions participated, benefiting from on-the-spot interviews and pre-fair training sessions on resume building and interview skills conducted by ICA Edu Skills. The fair resulted in several students being shortlisted or receiving job offers, marking it as a significant step toward enhancing student employability. The event was widely appreciated by students, recruiters, and organizers alike, reflecting Gossner College's commitment to fostering career readiness and institutional excellence.

#### TECHNICAL SESSION ON NEP 2020

On 8th September 2023, the IQAC of Gossner College organized a Technical Session on the National Education Policy (NEP) 2020, featuring Dr. Raj Kumar Sharma, Associate Professor from the University Department of English, Ranchi University, and former DSW & Controller of Examination. The event was held in the college conference hall and aimed to provide insights into the transformative aspects of NEP 2020. Dr. Sharma elaborated on the policy's key features, including its emphasis on multidisciplinary education, skill development,

and the integration of technology in teaching and learning. He also discussed the challenges and opportunities for higher education institutions in implementing the policy. The session was attended by faculty members and students, who actively engaged in discussions, making it an enlightening and productive event. This initiative by IQAC underscored Gossner College's commitment to aligning its academic practices with national educational reforms.

#### SEMINAR ORGANISED BY IQAC

The **Internal Quality Assurance Cell (IQAC)** of **Gossner College, Ranchi**, continues its commitment to enhancing student skills and professional development by organizing insightful seminars. In 2024, two major events were conducted to equip students with essential knowledge and career-oriented skills.

- On **11th August 2024**, the **IQAC of Gossner College, Ranchi**, organized a highly impactful **Seminar on Personality Development & How to Crack Interviews**. The event was designed to equip students with essential skills to excel in personal and professional spheres. Renowned experts in career counselling and human resource management conducted sessions on building confidence, effective communication, and mastering interview techniques. Students learned about the importance of body language, self-presentation, and strategic thinking during interviews. Interactive activities, mock interviews, and group discussions were key highlights, allowing participants to practice and refine their skills. The seminar emphasized holistic student development, empowering them to face competitive job markets with confidence and poise. This initiative by IQAC reaffirmed Gossner College's commitment to nurturing well-rounded individuals ready to thrive in their careers.
- The **IQAC of Gossner College, Ranchi**, hosted an enlightening **Seminar on the Role of Brokers & Exchanges in Financial Markets** on **5th April 2024**. The event aimed to deepen students' understanding of the financial ecosystem and the critical functions of brokers and exchanges. Industry experts shared insights into how brokers facilitate trading, the role of stock exchanges in market regulation, and the impact of global financial trends on local markets. The seminar also highlighted career opportunities in finance and the skills required to succeed in this dynamic field. Through case studies and interactive sessions, students gained practical knowledge and a clearer perspective

on financial markets. This seminar underscored Gossner College's focus on student development, equipping them with the expertise and confidence to navigate and excel in the financial world.

### **Impact on Student Development**

Both seminars played a crucial role in shaping students' career readiness, financial awareness, and professional confidence. IQAC at Gossner College remains dedicated to conducting such skill-enhancing programs, ensuring students are well-equipped to excel in their respective fields.

These initiatives reflect the institution's vision of "Arise and Uplift", empowering students to achieve academic and professional excellence.

### **A SEMINAR ON: INDIAN KNOWLEDGE SYSTEM**

The Internal Quality Assurance Cell (IQAC) of Gossner College, Ranchi, organized a one-day seminar on the Indian Knowledge System on 30th October 2023 in the college auditorium hall. The event aimed to enlighten students and faculty about the vast intellectual and cultural heritage of India, fostering a deeper understanding of indigenous wisdom and its relevance in modern times.

The seminar was graced by Dr. Raj Kumar Sharma, Associate Professor, PG Department, Ranchi University, and Former Dean of Student Welfare (DSW) & Controller of

Examination. As the resource person, Dr. Sharma provided valuable insights into the historical, philosophical, and scientific aspects of the Indian Knowledge System. He elaborated on ancient educational traditions, contributions of Indian scholars in various fields, and the importance of integrating traditional wisdom with contemporary education.

Dr. Sharma's presentation covered a wide range of topics related to the Indian Knowledge System. He delved into the historical development of IKS, highlighting its contributions to fields like mathematics, astronomy, medicine, and philosophy. He also explored the philosophical underpinnings of IKS, emphasizing its holistic approach to knowledge and its integration of ethics and values.

The interactive session encouraged students to engage in discussions on how Indian epistemology, ethical values, and scientific advancements continue to shape modern education and society. The seminar provided a platform for intellectual exchange, inspiring students to explore India's rich cultural legacy and its application in academic and professional fields.

#### MEGA PLACEMENT DRIVE

The Internal Quality Assurance Cell (IQAC) of Gossner College, Ranchi, in collaboration with reputed organizations, successfully organized a Mega Placement Drive on 18th May 2024. The event, held on the college campus, witnessed enthusiastic participation from more than 400 students, eager to explore career opportunities across various industries.

Pre-placement training sessions on resume building, interview techniques, and soft skills were also conducted to prepare students for the recruitment process. Leading companies from diverse sectors, including IT, finance, marketing, education, and healthcare, conducted recruitment sessions, offering promising job prospects to final-year students. The drive included written tests, group discussions, and personal interviews, providing students with real-world hiring experience. HR professionals and recruiters also guided students on resume building, professional communication, and industry expectations.

The Mega Placement Drive proved to be a significant initiative in bridging the gap between academia and industry, empowering students with career opportunities and workplace readiness. IQAC at Gossner College continues to focus on student development and employability, ensuring that graduates step into the professional world with confidence and competence.

#### WORKSHOP SUPPORTED BY IBM

On 27th May 2024, the IQAC of Gossner College, Ranchi, organized an innovative workshop supported by IBM, held in the college auditorium. The event aimed to equip students with cutting-edge skills in emerging technologies such as artificial intelligence, cloud computing, and data analytics. IBM experts conducted hands-on sessions, providing practical insights into industry trends and tools used in the tech world. Students gained valuable exposure to real-world applications of these technologies, enhancing their technical proficiency and problem-solving abilities. The workshop also emphasized the importance of adaptability and continuous learning in the rapidly evolving tech landscape. With over 200 students participating, the event fostered a spirit of innovation and collaboration, aligning with Gossner College's mission to prepare students for future challenges. This initiative by IQAC, supported by IBM, highlighted the college's commitment to bridging the gap between academia and industry, ensuring students are well-equipped for the demands of the digital age.

## REPORT ON IQAC MEETINGS (2023-2024)

During the academic year 2023-24, the IQAC of Gossner College, Ranchi, held four strategic meetings to ensure continuous quality enhancement and institutional development. These meetings focused on key areas such as academic excellence, infrastructure improvement, student support, and accreditation preparedness.

Action plans were formulated to strengthen research initiatives, improve feedback mechanisms, and optimize resource utilization. Additionally, the meetings emphasized the importance of community engagement and sustainability practices. Decisions taken during these sessions led to the successful organization of events like the Mega Placement Drive, technical seminars, and workshops supported by industry leaders like IBM. The proactive measures and collaborative efforts of IQAC during these meetings significantly contributed to elevating the overall quality of education and institutional performance at Gossner College.

## COLLABORATION WITH NSS

The Internal Quality Assurance Cell (IQAC), actively collaborates with the National Service Scheme (NSS) unit to promote social responsibility, community engagement, and holistic student development. Through this partnership, various awareness drives, outreach programs, and skill-building workshops have been organized, focusing on environmental sustainability, health & hygiene, literacy campaigns, and social welfare activities. IQAC ensures that these initiatives align with the college's mission of promoting a sense of leadership, empathy, and civic engagement among students. By integrating academic learning with social service, this collaboration enhances student personality, teamwork, and ethical values, making them responsible citizens and future leaders.

The NSS also participated in Voters Awareness Campaign in collaboration Election commission of India and Ranchi University.

**NATIONAL UNITY DAY**  
**DATE: 31 - 10 - 2023**

**VENUE: COLLEGE QUADRANGLE**

As specified by the Government of India in 2014, every year 31 October is celebrated as National Unity Day in our country. This day marks the birth anniversary of Sardar Vallabhbhai Patel, the former Deputy Prime Minister of India and also the former Union Minister of Home Affairs.

On this prestigious occasion a programme was organised in the College wherein Prof. Elani Purty, Prof. In-charge, was the Chief Guest. She told the students about the life and contributions of Sardar Patel and also shed light on his instrumental role in unifying India. Taking a trip down the memory lane, she reminded the students about his dexterous dealings with the princely states that in turn preserved the unity of India. In addition, our Prof. In-charge encouraged the students to take inspiration from the unwavering determination of Sardar Patel. Dr. S. K. Sinha (Programme Officer, NSS) told the students about the importance of unity and asked them to work together and in unity for the betterment of the society as a whole. Asst. Prof. Priyanka Soren led the students to take an oath of maintaining the unity of the country.

Around twenty-two NSS volunteers from the College had also participated in the National Unity Day programme organised by Ranchi University at Aryabhata Auditorium.

## DRAFTING OF COLLEGE ACADEMIC FREPORT

The IQAC of Gossner College, Ranchi, played a pivotal role in collaborating with various departments to draft the Academic Audit Report for the academic year 2023-24. This comprehensive report evaluated the institution's academic performance, teaching-learning processes, and overall quality standards. The IQAC worked closely with faculty members, administrative staff, and student representatives to gather data, analyze outcomes, and identify areas for improvement. Key aspects of the audit included curriculum effectiveness, student feedback, research contributions, and infrastructure utilization. The report highlighted significant achievements, such as the successful implementation of NEP 2020-aligned programs, increased research output, and enhanced student support services. It also outlined actionable recommendations to address challenges and further elevate academic excellence. This collaborative effort by IQAC underscored its commitment to maintaining transparency, accountability, and continuous improvement in Gossner College's academic ecosystem.

**REPORT OF ACADEMIC  
ACTIVITIES  
July 2023 – June 2024**

**GOSSNER COLLEGE, RANCHI**

## INTRODUCTION

Research and innovation is a marked feature of institutions offering higher education. To foster the innovative approaches and research activities it is essential for such institutions to create an ecosystem that facilitates and supports creation of knowledge as well as proper, efficient and relevant dissemination of knowledge.

Here at Gossner College, various academic activities are carried at the departmental level as well the College level for dissemination of knowledge and for providing creative opportunity to the students. These activities include, departmental seminars, workshops, film festivals, guest lectures, interaction with experts and professionals of relevant fields. For a better exposure and practical knowledge, the students are also taken to the relevant sites, locations or institutions. In addition, competitions are also organised.

## DEPARTMENT OF PSYCHOLOGY

On 29 August 2023 the Department of Psychology in association with the Central Institute of Psychiatry had organised a session on importance of mental health among the college students. At this session, students were enlightened about the early signs and symptoms that could later develop into severe mental disorders. The students also learnt about the TELE-MANAS initiative – a free service round the clock concerning mental health – of the Central Institute of Psychiatry, Ranchi. This session also facilitated students to interact with experts from Central Institute of Psychiatry, Ms. Priyanka Kumari and Ms. Jyoti Rohilla. The programme was organised in the College Auditorium located in the Arts and Commerce Block and a total of fifty-two students had participated in it along with the teachers of the Psychology Department as well as other departments.

#### DEPARTMENT OF ENGLISH

A guest lecture was organised by the Department of English on the topic Linguistics and English Language Studies on 29 August 2023. The resource person for this programme was Dr. Vishnu Charan Mahto (Head, University Department of English, Ranchi University). The resource person spoke about the

field of linguistics and the history of English Language. Students had an interaction with the Dr. Mahto about certain languages.

#### DEPARTMENT OF HISTORY

On 29 September 2023 the department had organised a seminar on Archaeology in Jharkhand. Dr. Md. Azhar Sabir (AA, Archaeological Survey of India, Ranchi Circle, Ranchi), Dr. Rajendra Dehuri (SA, Archaeological Survey of India, Ranchi Circle, Ranchi) and Er. Ramesh Kumar (ASAE, Archaeological Survey of India, Ranchi Circle, Ranchi) were the resource persons at this event that was conducted in the College Auditorium located in the Arts and Commerce Block. Dr. Md. Azhar Sabir, the main speaker for the event, shed light on the technique used to build ancient monuments, statues and artwork. Through his powerpoint presentation Dr. Md. Azhar Sabir shared about the work being executed by the Archaeological Department in the state of Jharkhand.

#### DEPARTMENT OF MATHEMATICS

A problem-solving competition was conducted by the Department of Mathematics in which around fifteen students had participated. Such competitions are an opportunity for the students to test their acquired skills and knowledge. This event took place on 29 September 2023.

#### DEPARTMENT OF COMMERCE

Department of Commerce had organised a seminar regarding interview skills on 30 September 2023. This seminar was conducted in collaboration with IILM University. Sixty-nine students had participated in this seminar where they were enlightened about the requisite skills to face interviews. The students were made aware of the particulars to keep in mind while preparing for an interview.

#### DEPARTMENT OF HISTORY

On 12 October 2023 Department of History had arranged for a visit to the Navratangarh Fort, Sisai. The students were accompanied with the teachers of their department and a professional from Archaeological Survey for India. They got a chance to witness the monuments in person and also learn about the technicalities of excavation. A total of one hundred and three had taken part in this educational visit.

#### DEPARTMENT OF MATHEMATICS

Department of Mathematics on 14 October 2023 had organised a programme related to higher education and career development. The programme was conducted under the title Navigating Higher Education in Career Development. It took place in the College Auditorium located in the Arts and

Commerce Block wherein a total of one hundred and ten students had participated. Dr. Rajeev Asthana was the special guest who spoke about the influence of higher education on career development. Winners of the problem-solving competition held on 29 September were felicitated at this event.

#### DEPARTMENT OF ANTHROPOLOGY

A field visit to Kocha, Torpa, Jharkhand was organised by the Department of Anthropology on 20 January 2024. Around forty-six students were involved in this field visit along with the teachers of the Department. This field visit aimed to give an insight to the students concerning the practice of pathalgadi among the indigenous tribes of Jharkhand. It was an opportunity to make the students acquire an understanding about this custom, its significance and also the historical backdrop of this. The students not only got to witness the sites but also got to interact with the local observers of this practice.

#### DEPARTMENT OF COMMERCE

On 4 May 2024 the Department of Commerce had organised a seminar on the Role of Broker and Exchanges in Financial Market. The venue of this seminar was the College Auditorium located in the Arts and Commerce Block. This event was organised in collaboration with the International Navodaya Chamber of Commerce. Mr. Samraj Nayar was the main speaker who spoke on stock exchange and commodity exchange. Mr. Sandeep Kumar, another speaker at the event, shared information concerning different options for investment. Lastly, Mr. Hemant Kaushik enlightened students about demat account.

#### DEPARTMENT OF BOTANY

An International Conference on the Effort for upliftment of Rural Mass Through Biological Science and Multidisciplinary Research (GUR-BMR 2024) was organised by the Department of Botany in the month of June 2024. The conference spanned two days – 8 and 9 June 2024 – and was jointly organised by Department of Botany and Madhuri Shyam Trust and International Consortium of Contemporary Biologist (MSET – ICCB) Ranchi, Jharkhand in association with Centre for Social and Environment Research (CSER) Ranchi, Jharkhand. There were around three hundred participants in this event from different states

and countries. Researchers and faculties from all over the country and abroad had presented their research articles.

In addition, the novel Research Committee is continuing with their efforts to launch a College magazine with ISSN number, dedicated to research articles. Also, in the academic year 2023 – 2024 the first volume of Gossner Samvad was released wherein students as well as teachers shared their inputs in relevant fields. Students and teachers alike also shared their short creative works and paintings. All these and other similar initiatives create an ecosystem for creation and transfer of knowledge.

## STUDENT ENRICHMENT PROGRAMS

The Internal Quality Assurance Cell (IQAC) at Gossner College, Ranchi, plays a pivotal role in ensuring the institution's commitment to academic excellence, student development, and overall quality enhancement. Below is a detailed explanation of its role in various activities:

### Student Satisfaction Survey (SSS)

**Role of IQAC:** IQAC is responsible for designing, conducting, and analyzing Student Satisfaction Surveys to assess the quality of teaching, infrastructure, administrative services, and overall student experience. These surveys are conducted periodically to gather feedback from students on various aspects of college life, including academic delivery, faculty support, library facilities, and extracurricular activities. The data collected is meticulously analyzed to identify strengths and areas needing improvement. Based on the findings, IQAC formulates actionable recommendations and collaborates with relevant departments to implement changes. This feedback-driven approach ensures that the institution remains responsive to student needs and continuously improves its services.

- Link of SSS: <https://gcran.org/Web/studentsatisfactionsurvey2023>

### Different Committees:

**Role of IQAC:** IQAC facilitates the formation and functioning of various committees within the college, such as the Anti-Ragging Committee, Women's Grievance Cell, Discipline Committee, and Academic Audit Committee. IQAC ensures that these committees operate effectively and adhere to their mandates. For instance, the Anti-Ragging Committee works to maintain a ragging-free campus, while the Women's Grievance Cell addresses gender-specific issues. IQAC monitors the activities of these committees, reviews their reports, and ensures that their recommendations are implemented to maintain a safe, inclusive, and disciplined campus environment.

### Various Grievances Cells:

**Role of IQAC:** IQAC oversees the establishment and operation of grievance redressal cells, including the Student Grievance Cell, Staff Grievance Cell, and Sexual Harassment

Committee. These cells provide a platform for students and staff to voice their concerns and seek resolutions. IQAC ensures that grievances are addressed promptly, fairly, and transparently. It also conducts awareness programs to educate students and staff about the grievance redressal mechanisms available to them. By fostering a culture of openness and accountability, IQAC helps create a supportive and harmonious campus environment.

#### Field Trips and Educational Trips:

Role of IQAC: IQAC supports the organization of field trips and educational trips to provide students with practical exposure and real-world learning experiences. These trips are designed to complement classroom learning and help students gain insights into industry practices, cultural heritage, and scientific phenomena. IQAC ensures that these trips are well-planned, safe, and aligned with academic objectives. It also evaluates the outcomes of these trips to assess their impact on student learning and development.

#### Experiential Learning and Hands-on Training:

Role of IQAC: IQAC promotes experiential learning and hands-on training by collaborating with industries, research organizations, and professional bodies. It organizes workshops, internships, lab sessions, and industry visits to help students apply theoretical knowledge to practical scenarios. IQAC also encourages faculty to incorporate experiential learning techniques into their teaching methods. By providing students with opportunities to engage in real-world projects and problem-solving activities, IQAC enhances their critical thinking, creativity, and employability skills.

#### Cultural Activities- Local and National:

Role of IQAC: IQAC actively supports the organization of cultural activities at both local and national levels. It encourages students to participate in cultural festivals, competitions, and events that celebrate diversity and talent. IQAC collaborates with the college's cultural committee to organize annual events, such as college fests, music and dance competitions, and drama performances. These activities provide students with a platform to showcase their talents, build confidence, and develop teamwork and leadership skills. IQAC also ensures that cultural activities are inclusive and promote the rich heritage of India.

### Sports Activities- University/State/National Level:

Role of IQAC: IQAC plays a key role in promoting sports activities at the university, state, and national levels. It ensures that the college has adequate sports infrastructure, including playgrounds, gymnasiums, and equipment. IQAC collaborates with the sports committee to organize inter-college tournaments, coaching camps, and fitness programs. It also recognizes and rewards the achievements of students in sports. By encouraging participation in sports, IQAC helps students develop physical fitness, discipline, and a competitive spirit.

### Placement Drive:

Role of IQAC: IQAC collaborates with the placement cell to organize placement drives and career fairs. It invites reputed companies from various sectors to campus and facilitates the recruitment process. IQAC ensures that students are well-prepared for placements by organizing pre-placement training sessions, mock interviews, and resume-building workshops. It also maintains a database of alumni and industry contacts to enhance placement opportunities. By bridging the gap between academia and industry, IQAC helps students secure meaningful employment and build successful careers.

### Career Counselling:

Role of IQAC: IQAC organizes career counseling sessions to guide students in making informed career choices. It invites industry experts, alumni, and career counselors to provide insights into various career paths, job market trends, and skill requirements. IQAC also conducts aptitude tests and personality assessments to help students identify their strengths and interests. By providing personalized guidance and resources, IQAC empowers students to navigate their career paths effectively.

### Mentorship Programs:

Role of IQAC: IQAC implements mentorship programs where experienced faculty members and alumni mentor students. These programs aim to provide academic guidance, career advice, and personal support. Mentors help students set goals, overcome challenges, and develop

essential life skills. IQAC monitors the progress of mentorship programs and evaluates their impact on student development. By fostering strong mentor-mentee relationships, IQAC enhances the overall student experience and promotes holistic growth.

#### College-Level Freeships (50-100%) and Scholarships:

Role of IQAC: IQAC ensures the transparent and fair distribution of freeships and scholarships to deserving students. It collaborates with the college administration to identify financially disadvantaged students and provide them with financial assistance. IQAC also promotes awareness about various government and private scholarships available to students. By reducing financial barriers to education, IQAC promotes inclusivity and ensures that all students have access to quality education.

#### Student-Centric Library:

Role of IQAC: IQAC advocates for a student-centric library that meets the academic and research needs of students. It ensures that the library is well-stocked with books, journals, and digital resources. IQAC also promotes the use of technology in the library, such as e-books, online databases, and digital catalogs. It conducts regular surveys to gather feedback from

students and improve library services. By providing a rich and accessible learning resource, IQAC supports the academic success of students.

#### Digital Classes:

Role of IQAC: IQAC promotes the integration of technology in education by supporting the conduct of digital classes. It ensures that the college has the necessary infrastructure, such as smart classrooms, projectors, and high-speed internet. IQAC also provides training to faculty members on the use of digital tools and platforms for teaching. By embracing technology, IQAC enhances the quality of education and prepares students for the digital age.

Through these activities, the IQAC at Gossner College, Ranchi, plays a vital role in fostering an environment of continuous improvement, student empowerment, and academic excellence. Its efforts ensure that the college remains responsive to the needs of students and stakeholders while maintaining high standards of quality in all aspects of institutional functioning.
